

Jewish Family Service
OF NORTHEASTERN PENNSYLVANIA

**THIRD ANNUAL
COMMUNITY RECOGNITION EVENT**

COMMUNITY
Matters

MAY 23, 2018

**SCRANTON CULTURAL CENTER
AT THE MASONIC TEMPLE**

WELCOME

In 1915, concerned leaders in our community organized to coordinate the relief activities of all service organizations in existence in the Jewish community at the time and established an organization whose mission was of a philanthropic and charitable purpose and to improve the quality of life for individuals and families in the Jewish and general community. This continues to be the mission of Jewish Family Service (JFS) today and our work still embodies this philosophy.

Tonight we welcome you to our 3rd Annual Community Matters Event which celebrates the mission and vision of our organization. JFS continues to strive to meet the needs of the community. Today hundreds of people turn to JFS every year to achieve well-being, health and stability. Clients come to our agency from multiple sources such as schools, physicians, psychiatrists, community mental health centers, the court system and from other clients who have benefitted from our services. JFS addresses the clients concerns and collaborates with our community partners and funding sources to achieve the desired outcomes and improve family functioning.

Jewish Family Service of Northeastern Pennsylvania is one of the primary human service agencies in northeastern Pennsylvania whose mission seeks to enhance and strengthen the quality of individual, family and community life for all people in need and has been helping to make a positive difference serving both the Jewish and the broader community for over a century. We're all in this together as we continue to help those in need, receive the help they deserve. JFS sits on the shoulders of many and with your support we can continue to make a positive difference in the lives of our friends and neighbors. A community is too heavy for anyone to carry alone. JFS thanks you for helping us, help others.
